

CHEW Animal Hospital Remodel: In-Kind Donation Wish List

Your in-kind donations will directly support the remodel of CHEW Animal Hospital — Below is a detailed list of materials and services that would make a meaningful impact.

Construction & Finishes

- Drywall and cement board
 - Metal studs
 - Acoustic insulation / sound batt insulation (for treatment, surgery, and ward areas)
 - Fire-rated sealant & caulking (UL-approved assemblies)
 - Paint and primer (high-washability, antimicrobial interior paints)
 - Flooring materials:
 - Tile, vinyl, other
 - Wall tile & grout (for restrooms, treatment, and surgical zones)
-

Doors, Windows, & Millwork

- Solid-core wood doors (various sizes per schedule)
 - Sliding barn doors (2)
 - Double pane windows
 - Door hardware sets (levers, closers, kickplates, locks)
 - Built-in cabinetry and counters for pharmacy, treatment, and dental rooms
-

Electrical & Lighting

- LED ceiling troffers and downlights (medical-grade or sealed trim)
 - Task lighting for surgery and dental areas
 - Lighting controls / dimmers (for radiology, wards)
 - GFI outlets (reception, treatment, surgery, dental)
 - Wall-mounted and floor outlets
 - TV monitors / mounts (for lobby & wards)
 - Smoke/CO detectors and thermostat units
 - Low-voltage/data cabling & jacks (for phones, computers, monitors)
-

Mechanical & HVAC

- HVAC ductwork and slot diffusers
 - Return grilles / vents / registers
 - Programmable thermostats
 - Inline exhaust fans (for isolation & restroom)
 - Air filtration / HEPA filters (clinic-grade)
 - Mini-split or dedicated AC units for ICU or surgery zones
-

Plumbing & Fixtures

- Handwash sinks (stainless steel wall-mount or cabinet-mount)
 - Mop/service sinks (janitor closet)
 - Exam & treatment faucets (hands-free sensor preferred)
 - Pressure-reducing valves and trap primers
 - Plumberex insulation kits for exposed lines
 - Medical-grade hose bibbs and vacuum breakers
-

Supplies & Services You Could Donate

- Construction labor or subcontractor time (electrical, plumbing, painting, flooring)
 - Dumpster and debris haul-off services
 - HVAC installation labor or materials
 - Electrical fixtures or panel components
 - Cabinetry fabrication or countertop materials
 - Commercial cleaning / final clean services
-

We are missing a lot from this list - please contact us should you have any items to donate!

Every donation, large or small, brings CHEW closer to completing our remodel and continuing our mission to provide high-quality, affordable veterinary care to under-resourced families and other animal welfare organizations
