

Fundraising

Fuel the mission. As a Fundraising Volunteer, you'll play a key role in helping CHEW raise the support needed to provide life-saving care to pets and families who otherwise couldn't afford it. Whether you're behind the scenes or front and center, your creativity and effort will directly impact the number of animals we can help.

Responsibilities include:

Assisting with planning and executing fundraising events, both virtual and in-person

Coming up with fun event themes, scouting locations, and helping create memorable experiences

Helping identify and reach out to potential donors, sponsors, and community partners

Assisting in identifying and applying for grant opportunities to support our programs and remodel

Supporting digital fundraising campaigns by crafting messages or coordinating social media pushes

Organizing raffles, silent auctions, and other giving opportunities at events

Working with the Gratitude Team to initiate thank-you cards

Brainstorming creative fundraising ideas and collaborating with other volunteer teams

Be part of something life-changing. Help build a lifeline for families and the pets they love ❤️
