

Capital Campaign

CHEW is growing—and we need dedicated volunteers to help make our next chapter possible. Our upcoming remodel will expand our space, add a second operating room, a dental suite, large-breed dog runs, and more. Be part of something transformative—help us build a facility that ensures no pet is turned away because of space, equipment, or limitations.

Responsibilities include:

Assisting with donor outreach and sharing CHEW's remodel vision with supporters

Helping prepare and distribute campaign materials, brochures, and impact packets

Coordinating campaign-related events and donor recognition efforts

Work with the Gratitude Team to send personalized thank-you letters to Capital Campaign contributors

Brainstorming and executing creative ways to promote the campaign online and in the community

Helping track campaign pledges, donations, and sponsor commitments

Working closely with CHEW leadership to align messaging and fundraising goals

Be part of something life-changing. Help build a lifeline for families and the pets they love ❤️
