

Team Spirit

At CHEW, we know we can't match big corporate perks—but we can create meaningful moments that make our team feel valued and connected. The Team Spirit Volunteer helps boost morale, build culture, and make CHEW a place people love to work. This role is all about fun, thoughtfulness, and the little things that make a big difference—made possible through a set budget or community donations.

Responsibilities include:

Coordinating staff celebrations like birthdays, work anniversaries, and milestone moments

Planning seasonal and holiday activities such as egg hunts, white elephant gift exchanges, themed potlucks, and more

Create ways to brighten the day—theme days, appreciation notes, mini contests, and spontaneous surprises

Keeping the break room stocked with snacks, drinks, and small comforts

Reaching out to local businesses for donated items, gift cards, or food sponsorships

Creating a welcoming, positive environment where staff feel supported and appreciated

Be part of the heartbeat of our clinic—help build the kind of work culture that keeps great people doing great things

Be part of something life-changing. Help build a lifeline for families and the pets they love ❤️
